What We Do With Your Support:

The St. Andrews Senior High Youth Group prides itself on serving those less fortunate. In the last three years, mission trips have taken the Youth to serve with the Asheville Youth Mission, Honduras Mission Network, New Orleans Project Homecoming, and North Hollywood Outreach. In the Atlanta area, the Middle School and High School Youth Groups cook and serve at the Druid Hills Night Shelter and participate in several hunger and community outreach projects throughout the year. **The June 2012 adult/youth mission trip will benefit the local community. Our youth will participate in the Tucker Interfaith Mission Experience, <http://timmermission.org/>, a home repair outreach mission project.** The 2013 trip will be a return to the Honduras Mission Network. All funds raised through this event will allow us to continue to support causes like these in the future.

Plan now to be a part of this annual, family-centered local event.

"Great race, especially for a first event. The church volunteers were very nice, and the biscuits at the end were great. The course was well laid out. I hope they hold it again."

"The pasta dinner the night before the race was an added plus! Thank you for organizing this race!"

"Very good inaugural event with lots of great volunteers. See you at next year's run."

"The church volunteers were very friendly and helpful. The Waffle House sausage biscuits and ham biscuits available after the race were very good. Fun event, I would do it again."
